

BICENTENNIAL BIKEWAY CHANGES

TEMPORARY WORKS - 7pm Friday 30 October to 5am Sunday 1 November 2009

A section of the Bicentennial Bikeway (shown in red) will be narrowed to 60cm allowing realignment to the new riverside section and removal of the temporary ramp. During this work traffic controllers will ask cyclists to dismount for safety.

NEW BIKEWAY ALIGNMENT - Sunday 1 November 2009

After removal of the temporary ramp a 3m wide section of the upgraded bikeway will reopen riverside.

The full width (5.5m) of upgraded bikeway will open in mid 2010.

Please slow down through the construction site and proceed with caution.
