Re: Bike Week prizes for your school.

Dear Principal or school admin officer

Bike Week 2008 is coming and we invite your school to participate in it by encouraging cycling to school **DURING THE WEEK**: March 31st to April 4th 2008.

Bike Week is a community project to encourage cycling from the Queensland Government through Queensland Transport and Bicycle Queensland.

All you have to do is: **record how many bicycles are at school** on any four (4) days between Monday to Friday during that week in March/April. At the end of the week, fax this information back to us by completing this form below.

- ◆ **ALL participating schools receive a cycling prize pack**
- ◆ **Schools will be informed how their level of cycling to school compares across the state, with extra prizes for schools that record good results or encourage new riders**

Additionally, schools are encouraged to support the health and transport benefits cycling gives their students. Healthy communities cycle and communities that have lots of cycling are cleaner, happier and safer. State Government policy encourages cycling for transport, recreation and health.

Feel free to contact BQ with any questions (Coordinator Deva O'Wheel, deva@bq.org.au).

FAX BACK to Bicycle Queensland on **3844 5343** by **April 11th 2008**

School **No. of students**

Street Address/Contact person & ph no:

School's nominated Champion Cycle Commuter:

Number who rode: Mon **Tues** **Wed** **Thurs** **Fri**

(Note: only four days are needed – worst day can be eliminated for sports day, rain, excursions etc)

If your school provided extra encouragement for students to ride to school, you can provide a brief summary of what your school did and what outcomes you feel were achieved (attach your response).
