

# CYCLE QUEENSLAND

Bundaberg to Brisbane  
Saturday 30 August to Sunday 7 September 2008

## Bike Transport

January 2008

### Introduction

We are providing options for you to offload your bike before leaving home and then to travel home post event without your bike (or with your bike but not your luggage so you can ride home). This makes it easier to use any form of transport without having to worry about space and cost for your bike or the trouble of having to carry it boxed up.

The following information explains the bike transport options listed on the entry form and should also be read in conjunction with the *Getting There and Back* info sheet. Note the finish will be at Sandgate some 22km from the Brisbane CBD.

If you book one of our charter buses then you must book your bike separately as the charter bus costs for the event do not automatically include your bike.

Each option below notes whether bikes need to be boxed although we prefer that they are boxed - see our info sheet *Packing your bike and luggage for CQ08* which includes notes for unboxed bikes. If your bike is required to be boxed and you have not boxed it, it will not be accepted unless you have made prior arrangements with BQ - only bagged or odd shaped bikes will be exempted from this rule. The bikes will travel in a truck stacked up to 3 high so must be well packed - i.e. no bulges and nothing protruding from the box. It is expected that bike boxes will be no larger than 1.4m x 0.8m x 0.3m. Please advise BQ if your bike is not a standard single frame i.e. tandem, recumbent, trike, trailer, trailer bike or folder.

Luggage must be contained in maximum 2 bags per person without any external attachments.

Bicycles and luggage are carried at owners risk.

### Home to Bundaberg service – from Brisbane and surrounds - \$30

For selected suburbs in Brisbane and surrounds your **boxed bike** will be collected from your address (as listed on your entry form) and delivered to Bundaberg. This allows you to travel from home to the event or to our charter bus departures without having to carry your bike.

275 suburbs or localities are included in the *Home to Bundaberg service*. The list is at the end of this info sheet – check that your suburb is included (note that the list may have changed from previous), note the division & then note the pickup date & time noted below.

**Division: South:** Pickup will be between 5pm and 9pm on Wednesday 27/8/08.

**Division: North:** Pickup will be between 5pm and 9pm on Thursday 28/8/08.

Bikes will be available in Bundaberg after 4pm on Friday 29/8/08.

### Finish (Sandgate) to Home service - to Brisbane and surrounds - \$20

For selected suburbs in Brisbane and surrounds your **boxed bike or luggage** will be delivered from the finish site to your address (as listed on your entry form). This allows you to travel from the event to home without having to carry your bike or in the case of luggage you can ride home from Sandgate perhaps combining some train travel utilising the Brisbane suburban network. For your bike you must also select 'Bike box at finish' or one of the bike box freight options.

275 suburbs or localities are included in the *Finish to Home service*. The list is at the end of this info sheet – check that your suburb is included (note that the list may have changed from previous).

**Division: South & North:** Return will be between 5pm and 9pm on Monday 8/9/08.

Bikes or luggage must be loaded at the Finish by 3pm on Sunday 7/9/08.

## Depot to Bundaberg and Finish to Depot service

**Depot to Bundaberg service:** You deliver your **boxed bike** to our transport depot and we deliver it to Bundaberg where you collect it. This allows you to travel from home to the event or to our charter bus departures without having to carry your bike.

**Finish to Depot service:** Your **boxed bike or luggage** will be delivered from the finish site to our transport depot where you collect it. This allows you to travel from the event to home without having to carry your bike or in the case of luggage you can ride home from Sandgate perhaps combining some train travel utilising the Brisbane suburban network. You must also select 'Bike box at finish' or one of the bike box freight options.

## Take my bike on the bus with me

For people who are unable to use the home or depot services then you can still take your bike on the bus with you for a charge commensurate with these other services. BQ encourages you to use the other services if possible as these provide you with the best flexibility and also allow us the best chance to get everyone to the start on time.

Bikes with you on the bus best suits people who are travelling from regional Queensland where we do not have depot locations, Bundaberg Car Park or interstate via the Brisbane Airport.

Bikes will be available in Bundaberg after 7am on Saturday 30/8/08.

Bikes must be boxed on all services except the *Brisbane Car Park* - see our info sheet *Packing your bike and luggage for CQ08* for info on how to pack your bike for this service.
